GUIDANCE

Coordination support when recruiters request screening discussions, technical rounds, and compensation benchmarking.

✓ Fair Market CTC Negotiation Support

INDUSTRIES & JOB DOMAINS ACTIVELY COVERED:

Software & Cloud (Java, Python, React, AWS)

Data Science & AI / ML

SCADA & Industrial Automation

FinTech & Banking

Product Management & Analytics

Dedicated Outreach Specialist Assigned

Every candidate campaign is monitored and managed by a dedicated talent outreach manager.

100% Direct Intros

Our 6-Phase Placement Framework

A systematic, multi-tiered outreach methodology designed to bypass automated portal filters and secure direct conversations with hiring decision-makers.

01

Phase 1: Profile Audit & Keywords

ATS compatibility benchmarking and resume keyword alignment to match real recruiter search queries.

02

Phase 2: Recruiter & Role Mapping

Identifying active requisitions and mapping verified HR managers, department heads, and talent partners.

03

Phase 3: Multi-Channel Dispatch

Deploying tailored candidate pitches directly to corporate email IDs, official WhatsApp desks, and inboxes.

04

Phase 4: Warm Pipeline Follow-Ups

Systematic second-touch and re-engagement messaging with responsive recruiters to keep you top-of-mind.

05

Phase 5: Interview Scheduling

Direct coordination assistance when recruiters request screening discussions, portfolio reviews, or rounds.

06

Phase 6: Negotiation & Onboarding

Compensation benchmarking guidance and professional transition support to secure fair market valuation.
