Our 6-Phase Candidate Placement Framework

A systematic, multi-tiered outreach methodology designed to bypass recruiter black holes and secure decision-maker engagement.

1 Phase 1: Profile Audit & Keyword Alignment
In-depth ATS compatibility analysis, technical skill benchmarking, and tailored resume optimization to match hiring parameters.

2 Phase 2: Target Recruiter & Role Mapping
Identifying active requisitions across target employers and mapping verified HR managers, department heads, and talent partners.

3 Phase 3: Multi-Channel Outreach Dispatch
Deploying customized introductory pitches directly to verified corporate email IDs, official WhatsApp desks, and LinkedIn inboxes.

4 Phase 4: Warm Pipeline & Follow-Up Cycles
Systematic second-touch and re-engagement messaging with responsive recruiters to keep your profile front-of-mind.

5 Phase 5: Interview Scheduling Support
Direct coordination assistance when recruiters request screening discussions, portfolio submissions, or technical rounds.

6 Phase 6: Offer Negotiation & Onboarding
Compensation benchmarking guidance and professional transition support to ensure you secure fair market value.
